SALE OF MANGANESE ORE.

It is hereby notified for general information that sealed tenders will be received up to 12 noon of the 16th April 1923, at the office of the Director, Mysore Geological Department, for the purchase of *Manganese Ore* lying in stacks or heaps on certain abandoned prospecting blocks, etc., in the various parts of the State as shown in the schedule hereto appended.

2. The ore on each separate area in the statement will be taken as a lot for the purpose of the tender.

3. The quantities mentioned in the schedule in respect of the lots of ore are only approximate and this Department does not undertake to give any guarantee in regard to either the quantity or the quality of ore in any lot. It would therefore be advisable for the tenderers to ascertain the quantity and quality of the ore in the lots before submitting tenders therefor.

4. Each tender should be superscribed "Tender for the purchase of Manganese Ore lying on abandoned prospecting blocks" and should be accompanied by a Treasury Receipt for a sum of Rs. 50 in respect of each lot tendered for, which should be paid into a Mysore Government Treasury as earnest money. On acceptance of one of the tenders the earnest moneys in the case of the rejected tenders will be refunded.

5. Each tender should specify clearly the particular lot or lots which the tenderer wishes to purchase and the price per ton he is prepared to offer for each lot separately. A single tender may be submitted in respect of one or more lots, but a deposit of Rs. 50 should be paid, as mentioned above, for each lot proposed to be purchased.

6. The final acceptance of any tender, in whole or in part, will rest with the Government, who do not bind themselves to accept the highest or any tender or to assign any reasons therefor.
